

Huntsville 5K

The Huntsville 5K course (3.1 miles) is a single loop, starting and finishing in front of the Health & Kinesiology Center on the campus of Sam Houston State University in Huntsville. The starting point is about 270 feet behind the start of the Huntsville Half Marathon, but both races have the same finish line. The Huntsville 5K course follows the Huntsville Half Marathon course until the Half turns right on Bowers Blvd. The two toughest hills are in the first mile, but there are others. Be prepared for a challenge.
