Langelier Wins at Hog's Hunt

Huntsville's Guzman finishes 10th overall in 50K

By Ken Johnson

It was unusually hot and humid on the trails at Huntsville State Park on May 16. Despite the heat, some of the best trail runners in Texas were on hand to participate in the 17th Annual Hog's Hunt 50K and 25K Trail Run. There were 88 finishers in the 50K and 188 in the 25K. Huntsville was well-represented.

Huntsville runner, Adrienne Langelier, 26, was the first female finisher in the 25K (15.5 miles), with a time of 1:51:44. She was third overall, finishing only 2 minutes and 39 seconds behind the male winner.

J. C. Guzman, 37, led the Huntsville runners in the 50K race. He finished the 31-mile distance in 5:07:08, which placed him 10th overall.

Congratulations to all Huntsville runners at Hog's Hunt and other area races.
