

March 2015

Good afternoon 7 hillers,

I hope everyone is staying warm and dry out there. Hopefully good weather is on its way, I know I am ready. With the start of the new year, its time to renew your club membership. I know I haven't renewed yet, (oops), our new registrar Dana Formon has put together a spreadsheet of expired memberships. She is more than happy to let you know if your club membership has expired. Please email her [danaleighformon@gmail.com](mailto:danaleighformon@gmail.com) we want to keep our membership strong and we have some of the best club members in the state. Me and Steve met with a gentleman from College Station the other night, and he was raving about how great our club is and how we have such a strong membership. No kidding!!! So let's get our memberships renewed (myself included).

Our next club run is March 22 - Run the Trails, 3.5 Miles, 2 p.m., Huntsville State Park. This is a non-competitive run or walk on the park trails. The trails will be marked. Start and finish at the Nature Center, just inside the park. A park entry fee is required for those without a park pass. \$3 race entry fee. Register at the starting point. All finishers will receive a medal. Refreshments will be provided. Also if you haven't already let me know, we will need volunteers to help clean up the park after the run.

Thank you to those who have volunteered to help clean up the trails. The state park does not have a clean up crew anymore and has asked for our assistance. And of course we are HAPPY to help, since the majority of us run those trails. So please let me know if you would like to volunteer. I already have a list started.

Happy running  
Jill
