

## RUNNING SHORTS

### **Registration for Houston Marathon starts Wednesday**

By Ken Johnson

Registration for the Chevron Houston Marathon and Half Marathon opens on Wednesday, June 5. The race will be held on January 19.

The race is limited to 25,000 runners (13,000 for the marathon and 12,000 for the half marathon). Entry into both races is by lottery. Registration opens June 5 and closes June 20. Selections will be made from June 21 to June 23. The lottery results will be announced on June 24 and those selected will be notified and allowed to complete the registration process.

Runners who have completed the Houston Marathon ten or more times may bypass the lottery system and will have until November to register. Also, runners who entered the lottery for the last two years and were not selected, may bypass the lottery under the "third time's a charm" rule.

Runners with a qualifying time in a certified race are also allowed to bypass the lottery and register for a limited number of positions. Qualifying times are 4:00:00 in a marathon, 1:52:55 in a half marathon and 51:08 in a 10K (6.2 miles).
